Sir,

Subject - Closing of pits in Shimoga Town as a permanent anti-malaria measure

*****

Adverting to Government Order No L 9455-9/M 1 69-44-3 dated 21-3-45 sanctioning a grant of Rs 10,000/- out of the Town Improvement Grant for 1944-45 to this Municipality for the above work, I have the honour to state that the work will have to be executed by the Public Works Department in accordance with the standing orders as the estimated cost of the work exceeds Rs 1000/- If this is done, the Municipality will have to bear an additional expenditure of about Rs 1,800/- towards the establishment and tools and plant charges On the other hand, if the work is executed through the Municipal agency alone, the Municipality can save that amount and can, as well, spend the same on some other work Otherwise it will be taking back a substantial portion with the left hand what has been given generously with the right hand

In this connection, I may state that the Municipality has at present, a (double graduate) Overseer who is well versed in the engineering work and that he can manage the work in question very efficiently Besides, the Executive Engineer of this Division is also a Municipal Councillor,

whose

whose advice can be and is often sought in almost all cases requiring his advice The estimates of all the works are also being got - scrutinised by him as per rules before the works are taken up

The Municipal Council at their Special General meeting held on the 4th instant have also resolved that Government may be requested to accord sanction to get the work executed through the Municipal - agency alone considering the above aspects of the question

The work in question has got to be executed expeditiously as the rainy season is fast approaching and also as the official year is fast coming to a close

Under these circumstances, I request the favour of your obtaining sanction of Government at a very early date to the resolution of the Municipal Council to get the work executed through the Municipal agency as has been sanctioned by Government in their order No L 2477-80/M 1 102-42-124 dated 26-8-44 in the case of construction of eight dwelling houses for sweepers and scavengers working in the Municipality

A copy of the resolution of the Municipal Council is enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

President,
Town Municipal Council,
Shimoga
